INTRODUCTION

Acquaiola is a five-bedroom, three-storey farmhouse in an exquisite rural setting just moments from the medieval hilltop town of Città della Pieve.

The property has breathtaking panoramic views over the Umbrian hills towards Monteleone d'Orvieto and offers the perfect space and setting for outdoor activities. Occupying an expansive, terraced plot, Acquaiola is currently run as a riding stables.

This property is being sold as a restoration project and the farmhouse can be developed to include at four bedrooms, a kitchen and living spaces. Outside, landscaping, terracing, and a pool are possible.

Acquaiola is a rural idyll and offers the best of country living, while Città della Pieve, with its amenities and cultural riches, is just moments away.

The mentioned “starting from EUR 1,8 mio” price comprises an estimate of the total cost to incur in a project to come to a turn-key delivery of the property: construction (renovation, new build or restoration pending the situation) included the building’s structure where necessary as well as all finishings including systems and swimming pool, landscaping and planting of garden, technical fees (e.g. architect, engineer, surveyor), project & design management by SpecialUmbria, all interior and exterior furniture and decorations.

LAYOUT

FACILITIES

OUTSIDE

The property is currently run as a stables with several loose boxes. The landscaping, to include terracing, can be decided by the buyer at the start of the restoration project that will include permission for the construction of an outdoor swimming pool overlooking the valley.

TECHNICAL

Mains electricity and water are available; furthermore, energy from 24 photovoltaic roof panels is sold back to the electricity company, while heating and hot water are currently produced by a wood-burning stove and an 80-lt capacity boiler. The kitchen’s four-ring hob is powered by a gas cylinder. All technical equipment will be decided and installed upon the project.

ENERGY

To be determined upon start project

OTHER FEATURES

DIRECT ENVIRONMENT

The property is on a hillside approximately 4km from Città della Pieve. The property is private, with just a handful of houses that can be seen in the distance.

PROPERTY MANAGEMENT

SpecialUmbria can look after every step from acquisition to full finishing/completion, interior and exterior design. Upon completion SpecialUmbria can offer full property management services all year through for this property, as well as renting out. You can find more information in the separate section 'Property Services' on this website.

NOTES

The asking sales price refers to the property in its current state as described in this profile. The restoration project has to be submitted and approved by the Municipality.
