INTRODUCTION

Collemancio is a large restoration project which currently involve a main house and an annex. With his wonderful position, on top of a hill, it dominates the entire valley, offering panoramas as far as the eye can see.

The two existing buildings immersed in a very Umbria's authentic scenario and surrounded by cultivated fields, vineyards and olive groves.

The project involves the use of 700 smq approximately: divided in 600 smq of the main building that has to be restored, its perfect for those who love to customize the home with their own taste and according to their needs. Instead the annex/ dependence is about 100 smq and it is completed renovated.
