INTRODUCTION

La Vista, set within a fenced garden and featuring a private pool, offers not only a breathtaking view but also a lifestyle of comfort and elegance, perfect for those who cherish both nature and refined living. This property has been built from scratch in 2005 respecting local features and seeking the charm of an old farmhouse.

The home is currently divided into two independent units, offering flexibility whether you're seeking a multi-generational residence or simply love the idea of having a separate space for guests. However, the layout can easily be reconnected, turning it into a single, spacious home with ease.

On the ground floor, the indoor and outdoor spaces are beautifully intertwined. A charming loggia greets you with its magnificent view over the lake—an ideal spot for outdoor dining or quiet evenings watching the sunset. Inside, the dining room with its open kitchen offers a cozy yet practical space for daily life. The three bedrooms on this level are comfortable and inviting, while two modern bathrooms add convenience. The garden, just steps from the living areas, creates a serene extension of the home, where the pool awaits for cooling dips in the summer heat.

Upstairs, the sense of space and light is undeniable. The first floor's large terrace offers an even more expansive view of the lake. Inside, the open-plan layout combines a luminous living, dining, and kitchen area, where large windows allow the natural beauty of the surroundings to pour in. A sleek, modern fireplace enhances the room, creating a cozy ambiance in autumn and winter.

This property truly embodies the best of Umbrian living. Whether it's enjoying a quiet moment on the terrace with a glass of wine, entertaining by the pool, or simply marvelling at the ever-changing colors of Lake Trasimeno, this home offers a unique blend of comfort, privacy, and unmatched views. La Vista is perfect for families, holidaymakers, or anyone seeking a serene escape.

LAYOUT

BEDROOMS

Three bedrooms are located on the ground floor and two of them boast french windows to grant access directly onto outside.

The two bedrooms on the first floor are very spacious, and one of them has also large wooden beams.

BATHROOMS

The two bathrooms on the ground floor have both the shower and the windows open onto towards the space within the walls.

On the first floor there is a large bathroom with both shower and tub. Next to it there is also a separate guest toilet.

KITCHEN

La Vista boasts two kitchens. The one on the ground floor is part of the dining room and has the perfect size for preparation of breakfast and quick meals. The kitchens on the first floor has an amazing view onto the Lake Trasimeno, and even if it is connected to the dining room, it is very spacious and offers many possibilities to entertain.

LIVINGROOM

The main concept of La Vista rotates toward creating living areas from where the view is the main character. The large living /dining room on the first floor is the place of the house to spend most the time in. The living room on the ground floor has easy access toward the loggia, so it is strategically located.

OTHER ROOMS

Behind the house, there is the so called space between the walls, and there it is where the technical room is located.

FACILITIES

OUTSIDE

The incredible views of Lake Trasimeno and the islands are the main focus of the outside space at La Vista. The swimming pool (5mx10m; 1,20m-1,50m depth) on the lower terrace was built in 2005 but in 2018 a new liner has been installed, reinforced with concrete and also a new pump was installed. The garden is completely fenced in, with sitting area, BBQ and grill in concrete on the side of the house. There are also 30 150 year old olive trees in production.

TECHNICAL

The property is equipped with electricity, water from the well used also for the house thanks to softener, LPG for the radiators and hot water. The gate is automatic and irrigation system is present in the garden.

Satellite dish and antenna are present.

Double glazed windows everywhere and mosquito nets.

AC present in the bedrooms.

ENERGY

TBD

OTHER FEATURES

DIRECT ENVIRONMENT
