INTRODUCTION

Located in a quiet area of the countryside, not far from Montecastello di Vibio, Pianozze is the classic example of a country house, surrounded by the most verdant nature, with lots of peace, but also not far from some towns. The view of Fratta Todina opens up from different corners of the property.

Pianozze is a country house on which to conceive a beautiful renovation and modernization project. Although all the systems are present, and complete with swimming pool, a renovation project should be considered to give it a completely new life.

The property has recently undergone improvements, namely it has been completely plastered and whitewashed; in addition to having finalized some building practices, such as static testing in additions to consolidation works both to the house and to the swimming pool, through the use of micro consolidation piles.

SpecialUmbria can support you by creating a home in a splendid location, but with all the most modern systems, new materials and also a new division of spaces.

LAYOUT

BEDROOMS

At the moment there are four spacious bedrooms at

the first floor.

The buyer can specify her/his own internal layout and the design of the property on completion of the sale. This includes the number of bedrooms and bathrooms, the kitchen(s) and living areas. The buyer might like to consider further options such as a wine cellar, technical and utility areas, dressing rooms and fitted wardrobes.

BATHROOMS

The property currently has three bathrooms: two at the first floor and one at the ground floor, the latter was recently completely renovated.

FACILITIES

OUTSIDE

The swimming pool is present and consolidation works have recently been carried out, such as micro consolidation piles. The park all around is made of mature trees and different corners of peace and greenery. There is also a part of land with olive trees, and a small field which, if desired, can be used for a vegetable garden and fruit trees

TECHNICAL

Electricity is present thanks to the connection to the main electrical line and the meter has already installed.

Water is present at the property and there is also phreatic well of 1.5-2 mt;

Power line and telephone line poles can be buried by the buyer

Sewage system and LPG tank: we are currently collecting information.

ENERGY

TBD

OTHER FEATURES

DIRECT ENVIRONMENT

Privacy is granted thanks to its locations.

PROPERTY MANAGEMENT

SpecialUmbria can look after every step from acquisition to full finishing/completion, interior and exterior design. Upon completion SpecialUmbria can offer full property management services all year through for this property, as well as renting out. You can find more information in the separate section 'Property Services' on this website.

NOTES

The asking price refers to the acquisition of the building in its current condition. The property, even if it is a property completed with systems, and already working, needs works to be refurbished and upgraded.
