INTRODUCTION

Podere Dolce Vita is located in the heart of the Val d'Orcia. This Tuscan area is perfect for exploring small towns near the villa and enjoying the sunset in the many vineyards of Tuscany. The property is currently set up as a B&B activity which may be continued or not pending the buyer's wishes, and features a main villa consisting of 5 luxury bedrooms at the first floor, each with an ensuite bathroom and a separate entrance. All rooms are finished to the highest quality and comfort standards.

Furthermore, in the main building, there is a private area that includes a living room, kitchen and 2 bedrooms, both with their own bathroom. One of them has also an independent external entrance. Additionally, an annex comprising two separate accommodations, each with a large bedroom, ensuite bathroom and connected kitchen, complete the residential spaces to a total surface of approximately of 600 sqm.

The final restoration has been finished in 2020.

Outside, one may find a spacious garden with a cozy breakfast area. The silo, although spacious and arranged over two floors, can contain a comfortable hot tub, a pool changing room, a storage room, but not a living unit. Guests can conveniently park their cars in the spacious parking lot in front of the main building. The outdoor area has a total surface area of approximately 10.000 sqm.

At the back of the house, a bio lake may be constructed, enjoying guaranteed panoramic views of the Val d'Orcia hills.

LAYOUT

BEDROOMS

The rooms in this house exude a warm and inviting atmosphere, seamlessly blending traditional Tuscan charm with modern comfort and style. The bedrooms feature striking canopy beds with unique color accents like yellow and dark tones, giving them a fresh and contemporary look. Wooden ceilings with exposed beams add rustic charm, while the decor ensures a luxurious ambiance.

BATHROOMS

The bathrooms are light and elegant, with carefully chosen furnishings and decorative elements that create a cozy and welcoming feel. Antique pieces, such as a classic desk, are combined with modern amenities to highlight the refined design of the home.

KITCHEN

There is a main dining area where food is prepared for all guests in a cozy environment. This space offers a pleasant atmosphere and features a spacious bar. Additionally, the private kitchen is large and filled with natural light.

LIVINGROOM

In its current capacity as a B&B, guests have living space within their bedrooms and there is a separate living room in the private part of the main building.

FACILITIES

OUTSIDE

The approx. 1 hectare garden is fenced and it also includes a variety of roses, lavender, rosemary, and cypress trees. Additionally, there's a vegetable

garden on-site. There is already an approved project for a bio-lake for which a render is amongst the pictures.

TECHNICAL

The property has recently been renovated and has advanced, eco-friendly amenities, including a ground-source heat pump enabling an efficient heating system.

Water is sourced from a well and distributed via an aqueduct that includes an advanced irrigation system, supported by two rainwater storage tanks; Municipal water with storage tank to avoid pressure changes for the house.

There's a comprehensive drainage system and a gas tank.

10 kW Photovoltaic system.
