INTRODUCTION

This property is absolutely beautifully located among the rolling hills between the Medieval town of Todi and Acquasparta. The property consists of a piece of land, partly agricultural, partly buildable where one private villa (with annexes) or two small houses with swimming pool may be built up to a total sqm of 600.

Once acquired this property, SpecialUmbria can offer a turn key solution in Umbrian style with private swimming pool, fully designed and modeled to your own wishes.

This is a place with unique characteristics: vast views on the green, Umbrian hillsides without any disturbing elements, not isolated but with a lot of privacy, close to a village and several facilities.
