4. **Short term rental.** Under short term rental is intended the normal residential use of the rented Property by Tenant during the agreed rental period in the confirmed booking.
5. **Rental period.** The rental period in a confirmed booking is the time between two calendar dates in which short term rental takes place. Among other things this means that, if present, the swimming pool is open and clean during opening period as specified on the website, all equipment is in working order and the garden is in an optimal state of maintenance all year through. The maintenance and use of all the facilities are included in the agreed rental price unless explicitly stated differently on the SU website.

Tenant will have to give a security deposit to SU as specified in the booking procedure and in the profile on the SU website. The security deposit will be held by SU in its escrow accounts until the end of the rental period.

The security deposit will be returned in full after the rental period after verification that there are no damages and/or any item missing belonging to the Property which was present in the Property upon arrival. In case of damage(s) and/or missing item(s) caused by Tenant, Owner has the right to claim the cost of replacement of the missing item(s) and/or the cost of the repair of the damage(s).

Latest two days after departure of Tenant from the Property, Owner may flag any missing item(s) and/or damage(s) caused by Tenant, either directly to Tenant during his stay at the property or per email to SU after departure of Tenant: info@specialumbria.com. Upon receiving from Owner within maximum two months after departure of Tenant a market competitive invoice of the replacement of the missing item(s) and/or repair of the damage(s), SU will wire the corresponding amount directly to Owner; an eventual balance will be wired back by SU to Tenant. In case Owner shall be entitled to invoice Tenant for any additional amounts exceeding the security deposit, said additional amount shall be payable directly by Tenant to Owner within 10 days of receipt of the invoice via SU; SU will wire in this case the security deposit in full to Owner. In case SU has not received any communication from Owner regarding damage(s) and/or missing item(s) latest 2 days after departure of Tenant and/or if SU, upon timely report by the Owner within latest two days after departure of Tenant, doesn't receive an invoice for the replacement and/or repair within maximum two months after departure of Tenant, SU will proceed wiring back the full security deposit directly to Tenant.

This category of services may be booked through SU at least 1 week before arrival. Payment will need to be settled in cash between Owner and Tenant upon delivery of the service or latest upon departure of Tenant. In no case the security deposit can be used for the payment of any of this category of services, nor can SU be held responsible for a (partial) non-payment of these services by Tenant.

12. Booking procedure. The booking procedure consists of the following steps:

- a. Options. When contacting SU to rent a Property for short term, Tenant may ask for an option to book the Property of her/his choice for a maximum of three (3) calendar days. SU will check availability with Owner. After this three-day period the option automatically expires for all parties or may be turned into a booking (if not done already earlier) where SU will confirm the main details of the booking per email both to Tenant and Owner: name Property, number of people staying, rental period, agreed rental price and any additionally required services. Also, without taking an option, Tenant may immediately book the Property of his choice by sending an email to SU: info@specialumbria.com.
- b. Booking information. SU will send a booking confirmation email to Tenant containing the booking information, these conditions - tenant, the Privacy terms as well as payment instructions.
- c. Booking confirmation (payment of confirmatory deposit and hand over address details). In the booking confirmation email Tenant is required to pay the confirmatory deposit of the rental price, being 30% of the total agreed rental price, to SU and hand over to SU her/his address details. Also, Tenant is asked to fill out the form with personal details of all guests staying at the Property during the rental period, as required by the local authorities. The payment process is facilitated by www.mollie.com, an exclusive business partner of SU certified to handle third party payments amongst which bank transfers and credit card payments. Once SU has received the full confirmatory deposit and the full address details of the Tenant, the booking is completed and confirmed. By paying the confirmatory deposit Tenant also explicitly accepts these General Booking Conditions Short Term Rentals - tenant as well as the Privacy terms. If the full payment of the confirmatory deposit and/or the full address details have not been received within 5 calendar days from sending the booking confirmation email by SU, SU is entitled to cancel the booking with no further liability towards Tenant.
- d. Balance payments. Tenant will be asked, via an email reminder sent out by SU, to perform latest 6 weeks before the commencement date of the rental period, the balance payments (balance agreed rental price, total cleaning fee, security deposit if required and additional services required by Tenant if any), again to SU. This payment process is also handled via www.mollie.com.
- e. Last minute bookings. In case of a booking confirmed equal to and less than 21 days before arrival date, Tenants are kindly asked to pay the total agreed fee (rental price, total cleaning

fee, security deposit if required and additional services requested by Tenant if any) at once via regular bank wire/transfer. For this purpose, SU will hand over to Tenant the bank details of its SU Rentals bank account and will kindly ask for the payment receipt in order to secure the booking. The payment in this specific 'last minute' case cannot be handled via the SU payments partner www.mollie.com, nor can be paid with credit card.

- f. Voucher. After all amounts and necessary personal data have been received in full by SU, Tenant will receive at their email address a voucher with the full details of the rental booked at the Property (full name and address of the Property, contact details of the Owner and/or caretaker/property manager on her/his behalf as well as detailed directions from the main airports/motorways to the Property). This voucher will also be the formal identification on the day of arrival. SU will keep proper records of the personal contact details of Tenant permitting the Owner to contact Tenant in case of necessity (issues shortly before arrival, personal belongings left at the Property after departure, etc.). At all times SU and Owner will respect the Privacy terms.

13. Cancellation and postponement/rebooking. Tenant may cancel the confirmed booking, but will need to compensate Owner and/or SU with a sum equal to the following percentage of the total agreed rental price, depending on the length of the period from the booking date to the cancellation date as to the expected arrival date:

- a. between booking date (= date in which the booking confirmation has been sent by SU) and 4 months before arrival: 30%;
- b. between 4 months and 6 weeks before arrival: 75%;
- c. less than 6 weeks before arrival: 100%.

The communication of withdrawal or cancellation of a confirmed booking must be done by email to SU: info@specialumbria.com.

Only in case of the event that the Property is not habitable or cannot be made habitable during the booked period in accordance with the conditions as advertised on the Property profile and agreed in the booking confirmation (e.g. due to heavy damage to the Property), Tenant is entitled to receive back all sums related to the confirmed booking paid by Tenant without further liability of SU and/or Owner for any damage whatsoever.

In case the Property is sold before the start of the rental period and the new Owner does not accept carrying out the rental booking in accordance with the conditions as advertised on the Property profile and agreed in the booking confirmation, previous Owner is entitled to cancel the booking in full until maximum 3 months before the arrival date. In such case Owner is obliged to reimburse to Tenant, via SU, the full down payment paid by Tenant.

If Owner cancels the booking within 3 months before arrival date, Tenant is entitled to receive back all sums related to the confirmed booking paid by Tenant to SU, plus all other travel cost (excluded private air transport) related to the confirmed booking that were paid or payable by Tenant at the time of cancellation, only if properly documented.

In case of force majeure (as defined in Article 6:75 of the Dutch Civil Code) including the situation in which Property cannot be reached on the day of arrival (start rental period) due to restrictions imposed by public competent authorities, SU is entitled to offer and mutually agree with Tenant a new rental period in the same Property against minimum the same paid value latest in the next calendar year. In such occasion only, the payments for security deposit and cleaning fee will be wired back to Tenant by SU, where these will be required again by SU before the start of the newly agreed rental period, according to the regular booking procedure as outlined in these General booking conditions for short term rentals.

- 14. Notification of guests.** Italian law requires the notification to the local authorities (police) of guests renting private houses, apartments and villas for short term. SU declines any responsibility in case of disputes between Owner and Tenant.
- 18. Departure of Tenant (check out).** Owner, or a delegated person on her/his behalf, shall be present at the Property upon departure of Tenant. Except for final cleaning which will be carried out by Owner after departure of Tenant, Tenant will leave the Property in a tidy state, similar to how the Property was found upon arrival. Tenant is held to leave the Property before the hour as specified in the profile on SU website as well as in the voucher. Also, Tenant is kindly asked to contact Owner or her/his caretaker/property manager 1 day before departure about her/his approximate time of departure on the next day, allowing Owner to be present at departure.
